

Buckeye Valley Athletic Boosters

"PDA" Advertisement - Winter Program

Dear Parents:

The Buckeye Valley Athletic Boosters produces a winter sports program that is sold at home basketball games. We would like to offer you the opportunity to capture your student-athlete's special year by personalizing the program with a "Public Display of Affection" (PDA) ad. Space is available to congratulate your student-athlete, tell them how proud you are, and/or how special they are. Your ad can personalize the program and become a keepsake for you and your student-athlete.

To reserve your space, follow these guidelines:

- 1) Select **Option 1** (picture with text) or **Option 2** (text message only). See samples below. Photo can be from sports picture day on Nov. 15, or one you provide.
- 2) Complete the order form below with your message written exactly how you want it to read in the program.
- 3) Provide payment to: **Buckeye Valley Athletic Boosters**. Proceeds benefit all athletic programs.
- 4) Submit form and payment **by Sun. Nov. 13, 2016 to:** Jill Davis, 6106 Dublin Rd. Delaware, OH 43015.
